- High capacity tub at 23 cubic yards water and 33 cubic yards strike-off
- Single cylinder design prevents corner cracking
- Electric mesh tarp system with kick out sensor
- Tub hooks on each side
- Bolt-on push block
- 1/4" AR450 steel tub

trailer behind the truck at all times; the

INNOVATIVE SAFETY FEATURES

The XL Side Dump features easy-to-use tub hooks on each side of the trailer. When one side is disengaged, the other side is automatically engaged, ensuring that the tub is always secure. The tarp sensor prevents the trailer from dumping if the tub is covered.

DURABLE & EFFICIENT DESIGN

The SD2-37 and SD3-37 tub offers a large capacity at 23 cubic yards water level and 33 cubic yards strike-off. Haul more with the large, durable tub built from 1/4" AR450 steel. Built to last with XL's high quality standards, the XL Side Dump offers a reliable dump solution. Backed with a two-year structural warranty, the crack-resistant design is ready to be put to work with your next aggregate job.

DESIGNED FOR YOU. BUILT TO LAST.
