OPTIONS FOR YOUR NEEDS

Power meets precision in our heavy-duty XL Tag trailers. Engineered to keep your operation running efficiently, the XL Tag delivers the strength, stability, and performance haulers depend on. Featuring a 5-inch beavertail, 11½ degree load angle, and self-cleaning spring-assist ramps, this trailer is built for smooth, reliable loading and built with you in mind.

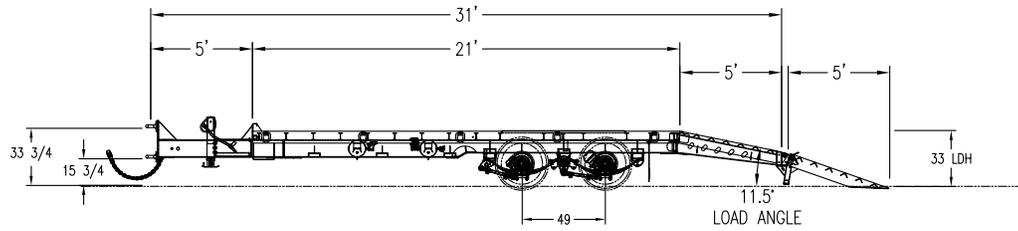

FRONT END FEATURES

The XL Tag gives haulers the strength they need for demanding equipment moves without compromising safety or performance. Its 5-foot tongue includes a 4-inch headboard and an adjustable pintle hitch with a range of 15¾ inches to 33¾ inches, making it easy to fit a variety of towing setups. Dual-speed landing gear, safety chains, and a built-in tongue toolbox come standard, giving operators the reliability and convenience they need.

DESIGNED FOR YOU. BUILT TO LAST.
